CUISINE

Our Executive Chef prepares flavorful dishes inspired by the coastal villages of Italy, Spain and North Africa. Specialties include wood-oven roasted whole fish, succulent pork, lamb and poultry cooked on the rotisserie and house-made pastas. Our cuisine is prepared with liberal use of the local coastal bounty, including seasonal produce, cheese from nearby artisans and fresh harbor seafood.

The Bar menu features Spanish-influenced small plates and wood oven pizzas. An extensive raw bar menu is available in both the main dining room and the Bar. An after dinner menu includes exquisite house specialty desserts, and the day's cheese selection from our unique European cheese storage and aging room.

WINE AND SPIRITS

The extensive international wine list features Spanish, Italian, French, Washington, Oregon & California wines, and won the *Wine Spectator* Award of Excellence in 2002-2007. The 4,000-bottle wine collection is visible from the private Wine Cellar Dining Room. Wines by the glass, a premium well, and specialty cocktails are served up by the bar.

LOCATION

Cetrella is situated in downtown Half Moon Bay, a popular seaside 'escape' just over the hill from Silicon Valley. The restaurant is located on Main Street in close proximity to the Ritz Carlton Hotel, Half Moon Bay Lodge, The Beach House and two world class golf courses.

AMBIANCE

Cetrella is located in the renovated historic Half Moon Bay Growers Association building, used by Italian farmers to ship produce for over five decades. The restaurant blends casual elegance with rustic charm, using rich woods, natural stone and warm colors.

Spanning three dining rooms, the Bistro's soaring ceilings reveal the restored original massive wood beams and a 60-foot ridged skylight. One dining room overlooks a sparkling exhibition kitchen; two others include stone fireplaces, table seating and cozy upholstered booths.

An indoor/outdoor terrace, accessible off of the Bar, features a fireplace with a "sit-around" counter top, and beautifully arched casement windows that open out onto the town's main street.
